convention was compelled yes-The convention was compelled yes-ter to wait until \$25 for a quorum. The cell call then showed only fifty-seven members present. Delegate Francis, of Morgan, offered the open-

By 9:45 the proliminaries were diswith Eichnor in the chair.

The article on miscellaneous was the ball by moving that section 1 be stricken out. The section provides that \$500 of such personal property as may be provided by law shall be ex-empt from execution on debt. Such a protest was raised that Allen, in self-defense, withdrew the motion.

There was a fight on section f, promore than the value of \$1.500 for each head of a family. Chiclester moved to strike this out, saying it is much less liberal than the present territorial laws, which provides that there shall be certain exemptions for the husbaind, wife and each child.

Hart favored striking out the sec-

Hart favored striking out the section, saying it might be good for Michigan, but conditions are different in Utah. He favored an exemption of value instead of an exemption of spe-

from so it would allow exemption to any kind of real estate to the value of \$1,500. He said this would meet all needs, as it would not limit the debtor to either farm or city property.

Hart approved Varian's substitute and said Thoresen did not meet his objection.

In a leader, the Times sayar.

The diplomatic game between Japan and the powers, appears to be proceeding in strict accord with the regular rules. Everywhere confidence prevails that a pacific solution will be attained of the row.

Makes Men Extravagant.

Murdock, of Beaver, argued against large exemptions, saying that there is a large class of men who will not pay their debts and these are protected by such provisions. Men are made more extravagant. When they are protected they are likely to run along the more extravagant. When they are protected they are likely to run along the more extravagant. When they are likely to run are more extravagant. When they are likely to run are likely

Hart favored a nexemption of some first terms of the control of th

mal act, in covention last summer in merging their territory into the body politic of Nicaragua, had absolutely terminated the British protectorate. The British diplomatic officers uniformly follow the practice of keeping their nome government informed as to the state of public opinion in the country to which they are accredited country to which they are accredited on any issue touching that country, as ghown by public delcarations and ut-terances of leading newspapers, and it has been suggested that the foreign office, in the cause of Nicaragua, may have been somewhat influenced in this last action in closing up the case, or at least may have been hastened in the discognition by notice from the

taken a very important part in the negotiations within the last twenty-four hours. A cablegram of instruc-tions was sent to Mr. Bayard yestertions was sent to Mr. Bayard yesterday, laying down a positive line of action. Mr. Bayard received these instructions so late yesterday that they
were undoubtedly communicated to
the foreign office today. It is a significant coincidence, therefore, that
Great Britain's acceptance was given
almost immediately after Mr. Bayard
carried out his instructions. Previous
to yesterday the compromise was being urged by the Salvadorean minister
in London, but his efforts seemed to
be ineffective and there was no certainty that Great Britain would agree.
It was this doubt which led to the
cable to Mr. Bayard. He was directed
to urge the reasonableness of the compromise proposition and to seek an
early acceptance. The result proved
that his offices were more effective
than those of the Salvadorean ministers. isters.

British Marines Will Soon Leave
Corinto.

AMONG THE STRIKERS.

Monster Labor Meeting in Sheboygan-Pittsburg Mine Owners Say the Strike is a Last Cause-Railway Asks Protection.

Cincinnati, O., May 2.-An Enquirer special from Pocahontas, Va., says: the employees of the Southwest Virginia and Browning mines to join in the strike. It is believed they will go out here on

Saturday.

It appears that Governor McCorkle has wired certain persons here conveying a rumor that the United States government contemplated sending United States marshals here, backed by regular soldiers, and he requested all prominent West Virginia operators to discourage such a proposition, as West Virginia was able to maintain order without outside halp. help. All is now quiet here.

Sheboygan, Wis., May 2-A monster labor meeting was held here this evening. A general strike throughout the city was New York, May 2 .- Passengers on the agitated, and the probabilities are that

> streets, and if their plans are successfully carried out, there will be several thousand men in line. Tonight there are about 1.600 men on a strike, and the situation is becoming very serious. The strikers are endeavoring to get the wages which they received before the business depression began. Several of the buggest manufacturing establishments of the city have been forced to shut down. streets, and if their plans are successfully

Pittsburg. Pa., May 2.-The mine owners here assert that the present strike for 69 cents is a lost cause, and say that the operators will not pay over 60 cents per ton, even if the Ohio miners do strike, in which event it was calculated that the demand for coal from this district will be so great that it will compel the operators to start their mines at any price.

THE DIAMOND,

Boston, May 2.-Boston, 9; Washington,

The mines in the Wheeling division of the Baltimore & Ohlo road are having more success today in getting out coal. Importations of men have continued, and there are 100 negro miners from West Virginia at work at the Jumbo mine and thirty at the Midway mine. The mines employing non-union men are closely thirty at the Midway mine. The mines employing non-nunion men are closely guarded by deputies, but thus far no serious collisions have occurred. On the other hand, the union officials are more confident of success than ever, and say that there are fewer men at work now than at any other time, and in a short time they will have the Pittsburg and Chicago company's men out. At this

state nor the federal authorities have re-New Theory Adopted by the D:fense.

A Charlesion special says that in case of trouble, Governor McCorkle will dispatch a representative to the scene at once to avoid any complications with the state of Virginia that might arise over the question of jurisdiction. Yesterday, General Superintendent A. C. Hippey, of the Norfolk & Western region on the Norfolk & Western region of the Norf ceived any alarming reports from the interstate commerce.

BAD MEN BITE THE DUST.

BROUGHT IN TO GUTHRIE WITH THEIR BOOTS ON.

Marshal Nix is Inclined to be Mum When Asked About the Details of the Killing, But There is Little Doubt That the Fight Was a Desperate One-None of the Officers

Guthrie, O. T., May 2.-At Spengles' undertaking house, in this city, lie the bod-ies of two of the most notorious desperadoes of the Dalton-Doolin gang. The dead men, stretched out on two boards, are George Newcomb, alias "Bitter Creek," alias "Slaughter Kid," and Charley Pierce, alias "Dynamite Dick."

With Their Boots On. The advent of the officers with the remains of the outlaws was a complete surprise to the community, as no one had
been apprised of the fact that the bandits
were being pursued, much less that there
had been a fight and that two of them
had been a fight and that two of them
had been killed. They were brought in
just as they were when killed, in full
clothes with their boots and spurs on and
armed to the teeth. Besides Winchesters,
each had on a revolver apiece, and belts
of cartridges for both instruments of
death. As their clothes were cut off their
bodies, it was seen that Dynamite Dick
had at least inity buckshot in him, while
two Winchester balls let the life out of
Bitter Creek. Dynamite Dick was shot
all over, but mostly in the right shoulder
and sides, although he had fully six shots
in his stormach, as many in one foot, one
of his years was a though he had had he ins of the outlaws was a complete surin his stomach, as many in one foot, one of his eyes was open, as though he had been in the act of taking a sight along a Winchester one Winchester bullet struck Bitter Creek in the forehead and tore out his brains at the back of his head, and the other hit his hand as he was pulling the triever.

Evidence Incomplete.

San Francisco, May 2.—Internal Revenue Agent Thomas has notified the cultaws were county at the louse of punn brothers, near linguilts, here evidence against the alleged smugglers and Chinese certificate forgers, H. L. Foss, Mose Greenwald, T. D. Ciprico, D. J. Sullivan and Max Katzauer, is incomplete. He suggested securing a confession from one of the gang, and Greenwald, the youngest, has been selected to be provide the other conspirators. Since as been said to state and the more of the suggested securing a confession from one of the gang, and Greenwald, the youngest, has been selected to be been said to state and the suggested securing a confession from one of the gang, and Greenwald, they were killed by Deputy Marshal Sam Schaffer, at the head of six other marshals. The bandits went to Dunn's house about 5 o'clock last evening. It being moonlight, they were easily seen and the suggested securing a confession from one of the gang, and Greenwald. The country of the constitute the republic was pulling.
